

MAGICAL MINDSET NEWS

WE FINISHED OUR FIRST WEEK!!!

This week We had an amazing time getting to know each other and getting in the swing of things.

Some of the highlights from the week were making muffins, playing Candyland in Spanish, dressing up in costumes, and having a dramatic play,

Our meals were also delicious this week, the kids enjoyed burritos, paninis, and coconut rice, and didn't care too much for lentil soup. We began each meal by holding hands and saying our weekly mantra. This week's mantra was "Thank you for this food, may it nourish my body, happy heart, and happy mind.

My favorite moment by far was our gratitude circle where we discussed what we are thankful for. Liana said she was grateful for her heart and love. Jackson shared that he is grateful for trying new foods and Alice Shared that she is grateful for sunshine and happiness.

ANNOUNCEMENT FOR NEXT WEEK

In appreciation for Mother's Day, we will be doing a special cooking project on Thursday where students will make dinner for their family and take it home to enjoy. We hope you feel loved and appreciated.
